

CASH FLOW REFRESHER FOR EXPERIENCED BANKERS

JUNE 20, 2019 | PORTLAND, OR

Course Overview

Cash Flow Refresher for Experienced Bankers provides you with an opportunity to review the fundamentals of cash flow (with emphasis on UCA cash flow) to enhance your overall analytical skills in evaluating credit risk.

The emphasis is on interpreting the underlying events reflected in the financial statements and on determining whether the UCA cash flow statement accurately describes the cash impact of these events.

Who will benefit?

Cash Flow Refresher for Experienced Bankers is for experienced credit and lending professionals who want to strengthen their knowledge of UCA cash flow lending.

You will:

- Combine cash flow and traditional analysis of historical financial statements to develop preliminary thoughts regarding a credit request.
- Construct a UCA cash flow statement using the direct method.
- Apply cash flow analysis to projected income statements and balance sheets.
- Analyze underlying assumptions of the projections and make adjustments to identify their impact on cash flow.
- Make a final decision on a credit request.

Precourse Materials

Once you register, you will receive a confirmation email with a link to download precourse materials that must be completed prior to attending the course. Please contact Customer Care, 1-800-677-7621 or registrar@rmahq.org if you do not receive the email within one business day.
